

## Our Business Partners

As a school community we are so grateful to the many generous families and businesses that help make our school successful. As a result of our Business and Community Partners' contributions, our students receive many additional learning experiences; from field trips, to hands on projects, experiments, special speakers and other amazing activities. Our students benefit from their generosity. Please consider utilizing these businesses as they support our children.

If you are interested in becoming a partner, please contact the school.

We would like to thank the following businesses and families who sponsor our school.

**Little Caesars®**

Gary Shatswell/Sizzling Platter
