Junior High School Fees

Every student in the 7th, 8th and 9th grades is required to pay Junior High School Fees. Registration and core class fees cover a few of the many costs associated with running a junior high school, including, but not limited to, science/lab materials, classroom supplies, duplication costs, lockers, textbooks, PE equipment, computer lab, library and some school activities.

Fee Waiver – Attached or included in your back to school night email/packet is a fee waiver form. You may look it over and see if you qualify for a fee waiver. All forms must be filled out completely with income verification attached to the form (**most current tax return or last three pay stubs, or both, if available**). Note: Fees are not waived until the form is given to the Finance Office and approved by the Principal.
