Lincoln Academy Morning Drop Off

**Map Legend**
- **Designated Drop-Off Area**
- **Bypass Lane**
- **Families Dropping Off**

**COMING FROM THE EAST**
Families coming from the East turn right to enter the parking lot and drop off on the East sidewalk. Once they have dropped off their students, they can use the bypass lane if needed to exit the parking lot.

**COMING FROM THE WEST**
Families coming from the West turn left into the parking lot and drop off in front of the school. Once students are dropped off, families can access the bypass lanes if needed.

Junior High students may enter the Junior High building. Elementary students need to walk around to the back playground, during warm months and go to the gym during cold months. Their teachers will pick them up when the five minute bell rings.

**EVERYONE MUST MAKE A RIGHT HAND TURN TO EXIT THE SCHOOL**
