Dress Code System and Standards
For 2016-2017 School Year

A. Purpose

Uniforms help fulfill Lincoln Academy's mission and philosophy, including the cultivation and maintenance of a learning environment of discipline and respect, and to provide an added level of security for the students' protection. Uniforms improve the classroom learning environment by:

- Helping students concentrate on their schoolwork by setting a tone for serious study.
- Removing distractions created by socioeconomic differences and modern fashion.
- Instilling students with discipline.

Uniforms build citizenship and a sense of community in our children by:

- Building self-esteem, self respect and school spirit among students by creating the distinction of being part of a group.
- Maintaining a good school image in the community by a neat appearance.
- Providing a visible and public symbol of commitment to school improvement and reform;

Uniforms create a safe learning environment by helping school officials recognize intruders who come to the school.

**Due to changing style and fashion trends, Lincoln Academy reserves the right to make revisions to the dress code system and standards at any given time.** Lincoln Academy will always do everything possible to make sure families are aware of any changes made to the dress code system.

**E. (1). Enforcement**

Lincoln Academy is a school of choice. Students and parents have chosen to enroll in the charter school instead of in their district public schools that do not require uniforms. It is therefore expected that all students and their families have embraced Lincoln Academy’s uniform policy and will comply therewith. The policy will be monitored and enforced by the school administration.
Dress code infractions will be dealt with in accordance with Lincoln Academy discipline policy. The school should strive to achieve compliance through use of incentives and positive reinforcement measures, and should resort to disciplinary action only when positive measures fail to result in compliance. The school will communicate with parents so that expectations, rationale and benefits are clearly published.

Enforcement:

1st Offense: A reminder is sent home with particular details as to why student’s dress is out of code, which requires parent signature. Student is required to return parent signature to school the following day.

2nd Offense: Parent/Guardian is called to bring proper clothing and a reminder is sent home with particular details as to why student’s dress is out of code, which requires parent signature. (If parent cannot be reached, student will be sent to the office to do their classroom work, as to not disrupt the rest of their classmates).

3rd Offense: Parent/guardian is called to bring proper clothing and a dress policy form is sent home which requires parent and student signature. (If parent cannot be reached student will be sent to the office to do their classroom work, as to not disrupt the rest of their classmates). Five demerits will be given.

4th Offense: Parent/Guardian is called to bring proper clothing and a meeting is set with the Director to discuss the Dress Code Policy. Discretion is left to the Director on further steps to take. Five demerits will be given.

5th Offense: Suspension from school.

On the occasion that the Parent or Guardian cannot be reached the student may be required to finish all schoolwork in the office area. Also, in the same event, the student may be asked to wear a uniform provided by the office.

It is not anticipated that an environment of constant policing and suspicion will arise with regard to the uniform. On Best Dress days students wear “Sunday best.” Best Dress days are also set aside for students who participate in athletic events and are required by their coaches to dress up on home game days. Students playing on high school sports teams will be allowed to wear Best Dress on game days if desired. No other types of sports dress days will be allowed in regards to other schools. To qualify for the sports team dress days, a copy of the team game schedule will need to be turned into the office. A best dress pass will then be given to the student for each particular day.

*Students will generally be trusted to be doing their best to comply with the letter and spirit of the policy. Obvious infractions (whether intended or not), and those which cause disruption, will be addressed by administration, faculty and staff. All decisions regarding items or issues not addressed or clarified in this policy will be left to the judgment of the Administration team. (Utah Code Section 53A-15-602(8), 1953, as amended in 2003).

E. (2). Grandfather Clause

Uniforms will be appropriate for use after they have been purchased under a current uniform guideline.
for two years or until they no longer meet the standards of appearance, whichever occurs first. Uniform Exemptions/Modifications Pursuant to Utah Code Annotated, Section 53A-15-602(8), 1953, as amended 2003, the school administration is allowed, at any time during the school year, to grant an exemption from wearing a uniform to a student because of extenuating circumstances. The school will work with families who have extenuating circumstances. This provision is subject to state and federal law.

E. (3). Assistance - Low Income Students

Uniform clothing under this policy may be available for students whose parents need help in obtaining them. Administration shall make decisions regarding assistance. Those needing assistance are encouraged to speak with the principal.

F. Purchasing Uniforms

Students should have a sufficient number of uniform items to provide for their needs, but are not required to purchase every item on the uniform list or any single item. As long as they meet the general guidelines given below and the specific guidelines for girls and boys, uniform items may be purchased from any vendor. To make shopping easier, many on-line vendors (e.g. target.com, jcpenney.com, and landsend.com) offer traditional uniform items under a special “School Uniforms” category. G. Dress Down, Best Dress and Free Dress days

Throughout the year, but generally not more than once per month, the Principal may designate certain days as Dress Down, Best Dress or Free Dress days. All days MUST be approved by the Principal.

DRESS DOWN
On Dress Down days students may wear the optional Lincoln Academy T-shirt or sweatshirt with their school uniform pants or skirt. Long-sleeved shirts MAY NOT be worn under short-sleeved shirts.

BEST DRESS
On Best Dress days, students wear “Sunday best.” Best Dress days are also set aside for students who participate in athletic events and are required by their coaches to dress up on game days (see previous page).

Best Dress Guidelines: also defined as “Sunday Best.” No denim. No tennis shoes/sneakers.
- Boys: slacks, dress shirt, tie, and nice shoes.
- Girls: nice dresses or skirts. Heels must not exceed 2 inches in height.
**FREE DRESS**

Free Dress days are described as non-uniform clothing that conforms to the school’s general standards of dress and/or any specific guidelines set forth by the Principal for that day. Some free dress days may be theme days, on which students may be authorized to wear certain special clothing or costumes. Such days may be suggested by the student council, teachers, and Parent Council, but will be approved by the Principal and duly announced to the school community.

**Free Dress Guidelines:** Clothing must be appropriate, modest, and follow basic public school guidelines. No mini-skirts, short shorts, tank tops, bare mid-drifts, etc. Hats, large knitted headbands, sunglass, or bandanas may not be worn.

**H. Modifications to the Uniform Policy**

All modifications to the Lincoln Academy uniform policy will be made according to procedures outlined in Utah law and/or the school’s state-approved charter.

The Lincoln Academy Board of Trustees and the administration will make all final modifications to the Lincoln Academy uniform policy.
